ALL PARENTS/CARERS

Dear Parents/Carers

IMPORTANT - Lateral Flow Mass Testing Return to School Arrangements - January 2022

As you will be aware, the Government have set out guidance regarding on site testing of students when we return in January 2022. Students are advised to undertake a lateral flow test on site at the start of term.

Due to the recent position we have found ourselves in and concerns regarding positive numbers increasing we have decided that we will be implementing a staggered start to our students to enable this to take place. An overview of these arrangements is below.

On Tuesday 4 January 2022 no students will be in school. Students in Years 10 and 11 will have allocated times to attend for testing. All students in Years 10 and 11 will then return to school as normal from Wednesday 5 January 2022.

On Wednesday 5 January 2022 students in Years 7, 8 and 9 will have allocated times to attend for testing. All students in Years 7, 8 and 9 will then return to school as normal from Thursday 6 January 2022.

This is a voluntary test following on from guidance set out by the Government. Anyone who is unable to attend the onsite testing should return to school with the rest of their Year Group on the aforementioned dates. Students who have tested positive within the past 90 days should not take part in this testing and should return with the rest of their cohort as above.

Students must arrive to school for the test by the Atrium doors at their allotted time (they do not need to be in school uniform). Once their test is complete, they will return home exiting via the Sports Hall doors that lead onto the main car park.

To enable the testing process to run smoothly anyone who is taking part in the testing will need to complete the below permission link.
