

Dormston School SUMMER READING CHALLENGE 2022

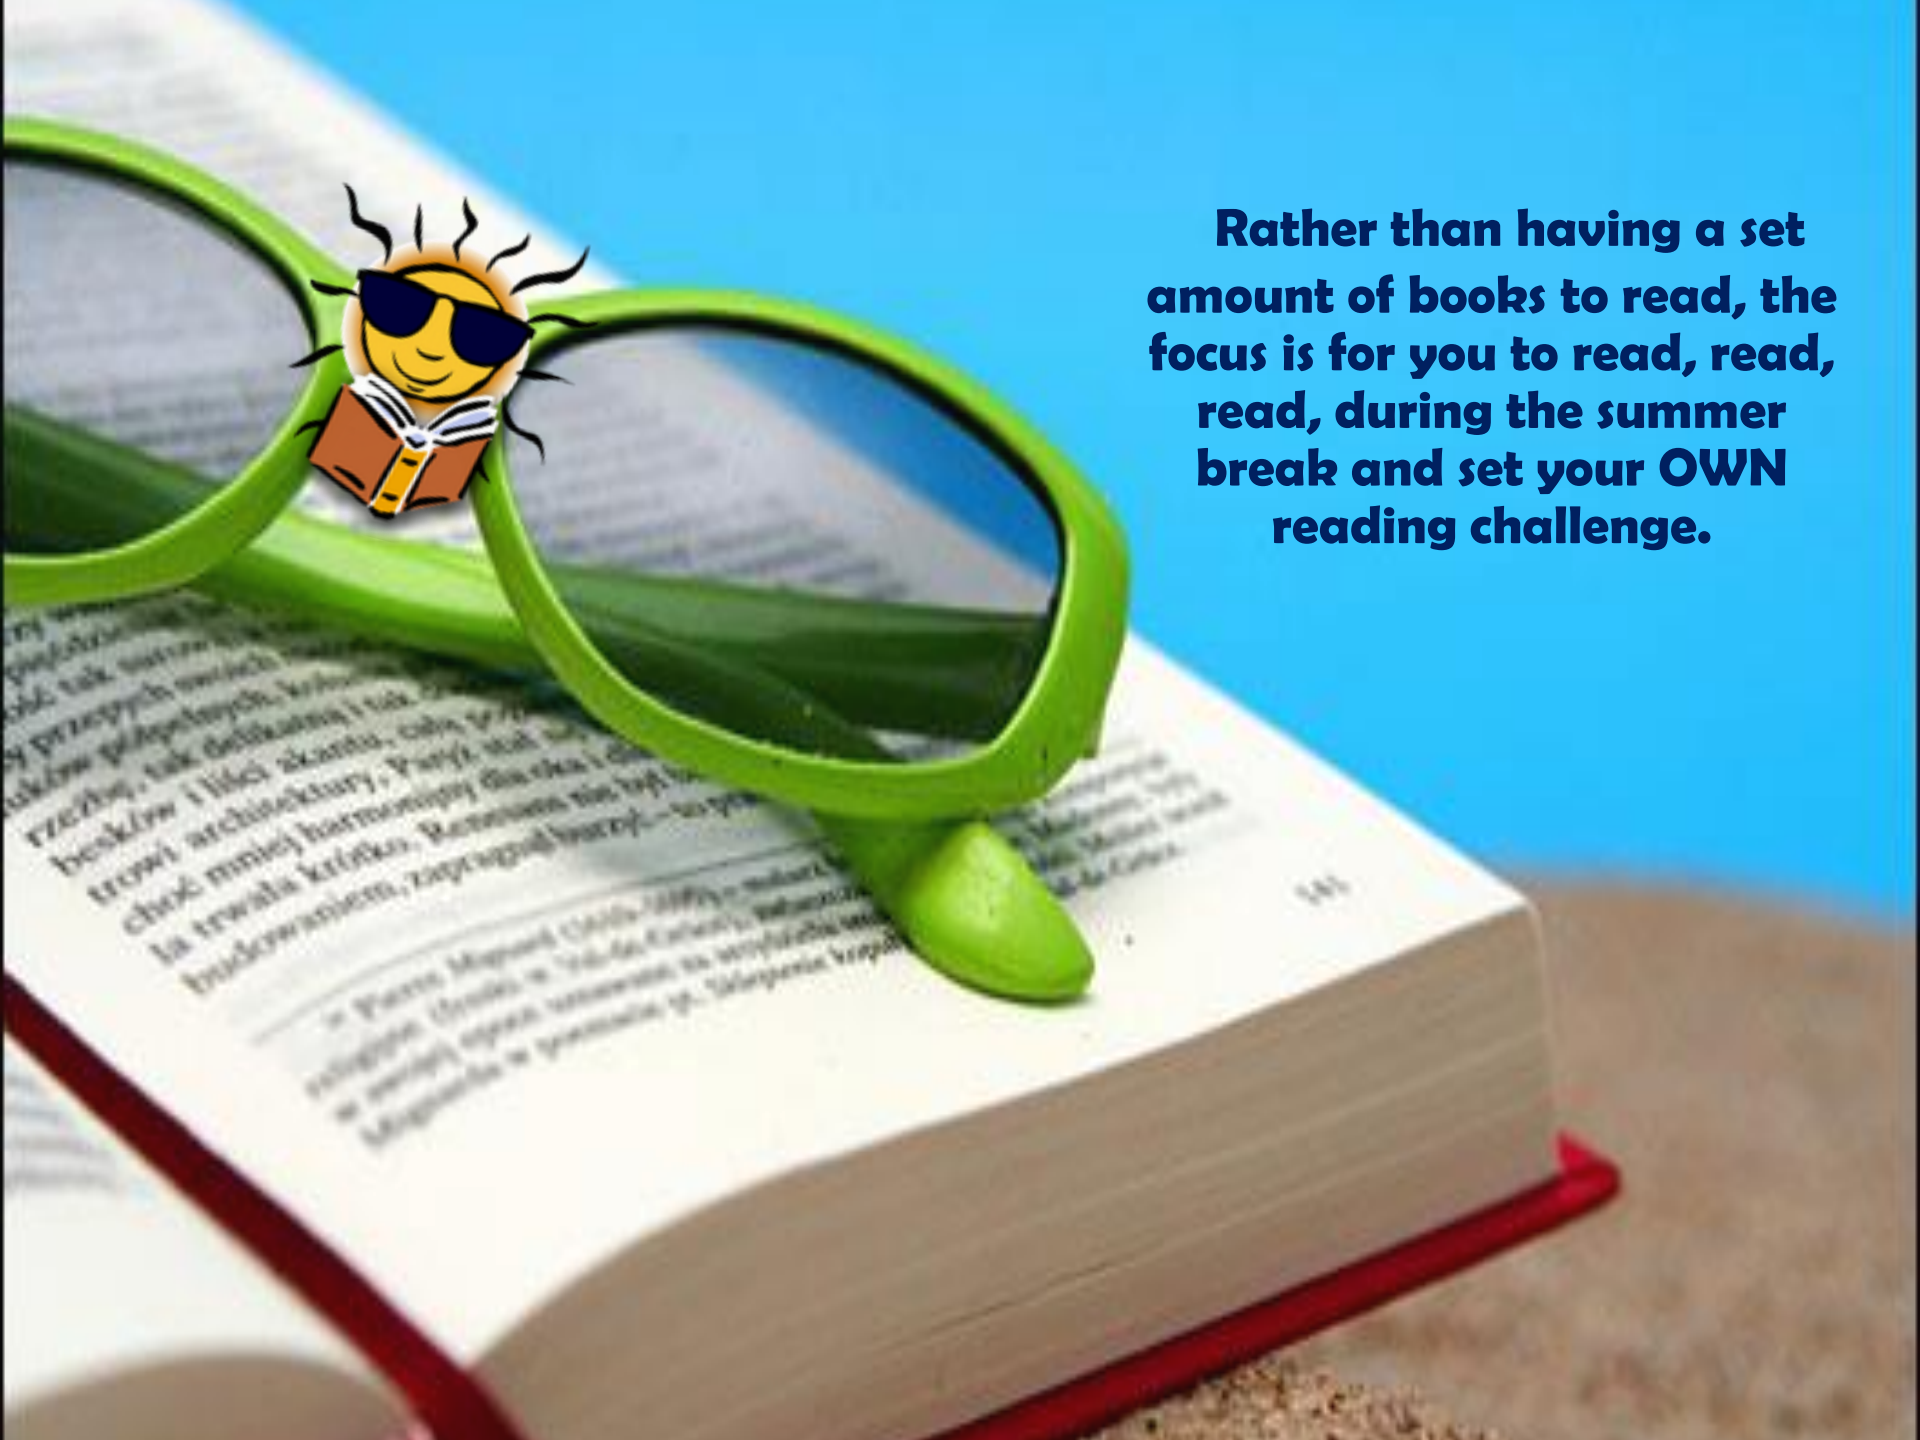

What better time is there than holiday time, when you're away from school, with no homework and lots of free time... to chill out and read?

The answer is that there really isn't a better time .

**Relaxing and
loosing yourself in
a great book and taking part
in our Summer Reading
Challenge will
help to help to ensure
your reading skills
don't dip during
the long break.**

Rather than having a set amount of books to read, the focus is for you to read, read, read, during the summer break and set your OWN reading challenge.

THERE IS NO
CHALLENGE
MORE
CHALLENGING
THAN THE
CHALLENGE
TO IMPROVE
YOURSELF.

It's completely up to you to decide how you want to challenge yourself.

It might be that you don't read regularly but you're going to challenge yourself to read a little bit each day.

You might already read lots of books and decide to task yourself to read something more complex.

And the great thing is that you can choose what *you* want to read !

It could be a novel you've been excited to try but haven't yet made time to read.

It might be a biography that's been lying on a shelf and you haven't picked up yet.

It could be a graphic novel, Marvel or comic book that somebody has recommended.

Everything you read will count towards the challenge.

You can read a hardback book, or a paperback.

You might prefer to read an e-book or listen to an audio book. It could be fun to read a book and play the audio version at the same time.

Magazines might be just your thing.

Keeping up with what's going on via a news website all counts as reading.

The choice is yours.

You can choose a mixture of reading in many different formats.

**and remember,
if you want to REALLY challenge
yourself....**

**Don't just read
the easy stuff.
You may be
entertained by it,
but you will never
grow from it.**

~Jim Rohn

**You don't even need a holiday
away from home
to travel the world.
You can...**

How to take part

You simply need to record everything you read.

**To do this you can print a Summer Reading Log from this site
or collect one from the PLC.**

**If you prefer, you can be as creative and imaginative as you like and design and make
your own.**

As long as you record everything you have read, the choice of how to do it is yours.

Don't forget, this is your challenge.

**If you only read part of a book and then switch to something else, you can include it,
but just be honest and say how much of it you read.**

We would love you to write reviews of the books you have read too.

Please write or type your reviews and attach them to your Summer Reading Log.

Please take your completed log and review(s) to Mrs Ellsmore in the PLC by Monday 12.9.22

- **House Points will be awarded to all students who take part and submit their Reading Log.**
 - **There will be prizes for the best completed Summer Reading Log.**
 - **There will be prizes for 5 winners of the Best Book Review competition.**

*We really do hope you enjoy taking part.
The most important thing is that you keep reading!*
