Message from Head Teacher

Our Year 10 exams began this week and exams for Years 7 - 10 continue next week. Good luck to all our students!

We launched our Work Experience to our Year 9 students on Wednesday and will be holding a Year 9 Parents/Carers WEX Launch Evening on Tuesday 21 June 2022 at 6.00pm. We really encourage all our Year 9 parents/carers to attend this important information evening. Work Experience is an extremely valuable and important part of our student's careers programme and can often plant the seeds of what their next steps may be, so please ensure you engage with this process and attend this important event.

Just a reminder that our Year 11s are invited back in to school on Friday 24 June 2022 at 11.00am for their Leaver's Assembly.

Have a great weekend!

Best wishes.

Mr Dixon
Head Teacher

Key Letters/Information Sent Out Recently

The vast majority of all letters are now emailed home, hard copies are ONLY provided for 'Reply Slip' Letters. *Selected student only letters are given out to your child by hand or are posted directly home. The criterion for 'selected student only' opportunities are based on various factors depending on the trip and its focus. Unfortunately, we are unable to allow every student the opportunity to be involved with every activity which we understand sometimes causes disappointment. If you require more details about the selection process for any opportunity please contact the event organiser.

Music Lessons with Dudley Performing Arts

We are working with Dudley Performing Arts (DPA) to provide music lessons in school and now is a fantastic time to start learning a musical instrument! The team at DPA have decades of experience and are the biggest provider of music education in our area. Students can begin lessons for as little as £7.50 a session so if you would like your child to start learning simply click on the link below to find out how it works.

Learning a musical instrument is a great thing for young people to do. It can help in all sorts of ways and research suggests that it can help children develop academically and socially. Lessons take place at school making it easy to fit in around your busy family lives and we hope that you will take up this amazing offer.
