

### **Parent Support with getting your child to attend school**

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that they leave home in the correct clothes and properly equipped. Having a routine that is followed daily really helps with continuing with normal life. Show your child, by your interest, that you value his/her education. Your child will bring home a student planner and Go4Schools app where you can view their progress. Take an interest. Speak to them about their lessons and how their day has been. Talk to them about the things they have learnt, what friends they have made and even what they had for lunch.
