To Parent/Carers of Year 11 Students

Dear Parent/Carer,

Re: Aspire To HE

The school are pleased to have gained funding again this year for the 'Aspire to HE' project sponsored by the National Collaborative Outreach Programme and supported by the University of Wolverhampton. The aim of the project is to raise aspiration through various exciting opportunities and support students make informed and aspirational decisions about higher education (university or apprenticeship routes).

To support and evaluate the project, Aspire ask that all Year 10 and Year 11 students complete a baseline survey at the start of the academic year and an endpoint survey in June. We would be grateful if your son/daughter would complete this survey using the link or QR Code below:

Year 11: <https://survey.alchemer.com/s3/7024130/2022-23-Aspire-to-HE-Year-11-programme-wide-baseline-survey>

A copy of the Aspire to HE Privacy Notice is attached.

Whilst it is not compulsory for student to complete the survey, it does assist the project to gain future funding. We would be grateful if the survey could be completed by **Friday 14th October 2022.**

Thank you for your support and please do not hesitate to contact me at school if you have any questions relating to this.

Yours sincerely

L. Dawes
