**YEAR 10 PARENTS/CARERS**

Dear Parent/Carer

**Re: Study Guides for GCSE French and German**

The MFL department are offering you the opportunity to purchase revision guides and or study aids to support students' revision and exam preparation in KS4. We are able to purchase French and German revision guides, exam workbooks and vocabulary cards through school at a reduced cost. Each revision guide offers guided support for students with tips on how to improve their knowledge and understanding of both grammar and vocabulary and the workbooks provide practice of exam techniques. They are useful tools to help with students' revision as completing practice questions is vital for progress and would be especially helpful for individual study with regard to filling in gaps in pupil knowledge following lockdown lesson disruption lower down the school. Previous students have also found the vocabulary cards helpful throughout the GCSE course, not just at exam time.

The MFL revision guides are available for £3.15 (RRP £5.95) each for the online edition and £7.00 (RRP £12.99) for the CD-ROM & online version, which also includes some exam practice questions. The 'AQA (9-1) French/German Revision Guide' takes a step-by-step approach to the exams, providing students with hints on how to organise their revision and develop their exam technique with exam-style questions and full answers. The 'AQA (9-1) French/German Exam Practice Workbook' provides more in-depth practice questions and example answers in all skill areas to be examined in end of unit assessments, internal exams and externally marked GCSEs. The translation books address this particular skill area.

The publishers are also offering a 'bundle' of the Revision Guide, Exam Workbook and Vocabulary cards for £10.80 (inc.VAT), compared to £20 in the shops.

Some of you may have already purchased a study guide via the school last year. This is still an excellent resource and there is no need to update or replace it with further purchases this year. However, please be aware that older editions (pre-2016) do not match with current specification content or exam question style.

Payments can be made online using the ParentPay site. If you require activation information for your ParentPay account please contact us. If you do not have access to a computer or wish to pay cash please contact the school to request a barcoded letter which can be taken, along with your payment, to a store displaying the PayPoint logo.

Please note that if your child is eligible for pupil premium please contact the school before making any purchases as you may be eligible for a further discount.

I would like to place the school order with the publishers by Monday 17<sup>th</sup> October, so if you wish to order any revision guides the deadline for ordering via ParentPay is **Friday 14th October 2022**. We will not be able to accept any orders made after this date, nor will we necessarily be able to purchase the books at this price again.
