TO ALL YEAR 11 PARENTS/CARERS

Dear Parent/Carer,

Upcoming Apprenticeship Events, November 2022

To offer support and guidance for pupils who are considering the Apprenticeship route after leaving us next summer, we will be attending The Real Apprentice Event on **Thursday 10th November** at West Bromwich Albion FC. The event is being hosted by The Black Country Training Group and is being support by The Careers Enterprise Company and Sandwell Connexions.

The event is designed to help students learn more about Apprenticeships and they will have the opportunity to discuss their Post 16 and Post 18 options with local colleges, training providers, employers and Connexions Advisors. There will be a number of interactive displays for the students to explore a range of careers.

The event will take place during the school day and transport will be provided. We are waiting for confirmation of our time slot at the venue but are expecting to leave school at 12.15pm and return at approx. 3pm.

Places are limited and priority will be given to those students who have indicated that they are seriously considering the apprenticeship route Post 16. If you wish to register a place for your child please reply using the link below by Tuesday 1st November. We will contact you to confirm if your child has been successful in getting a place and confirm exact timings and lunch arrangements.

Following on from our Post 16 evening in October, Doocey will be holding an apprenticeship insight session in school on **Monday 14th November 2022**. The session will take place afterschool at 2.45pm. Doocey representatives will give students an insight into what working with Doocey is like, as well as information and tips on the application and assessment process. If your child would like to attend this event please register their details using the link below.
