Production Students' Parents/Carers

Dear Parent/Carer

Re: Production costume request

As you are aware, your child has been working hard on the upcoming school production of Guys and Dolls. As we are approaching the end of the Autumn term, we are thinking ahead to the technical aspects of the show. We would like to ask for your help and support in providing costume items for your child. This is something which the school has done in the past in order to ensure that we are able to provide full professional set, lighting and sound for the show.

We will provide lots of information on what items students may require, including reference images. For those costumes which must be the same, we will be asking for a contribution from parents/carers to cover the hire cost of these. Useful places to source costume items for smaller costs include the local charity shops, sites like Facebook Marketplace, Vinted and Depop, and affordable retailers like EverythingFivePounds and Select Fashion.

If you would like any items of costume checking for their suitability for the show, please feel free to email to ask myself or send the items in with your child to show me. Due to how busy the show will make us all, this must be done well in advance of the show week.

We appreciate that due to the cost of living, this may be a struggle for some parents and carers. If this is the case, please do get in touch with the school as soon as possible so that we can look into options. If there are any parents or carers who wish to assist with the construction of costumes which are needed for ensemble roles (which require identical costumes), this would be greatly appreciated and we would love for you to get in touch with us.

Finally, I would like to thank you for your ongoing support of our school production. If you have any questions or concerns, please do not hesitate to contact me.

Yours sincerely

Mrs H Toy
Head of Drama
