Dear Parent/Carer

Re: Birmingham University Christmas Lectures Trip

Your child has been selected to attend Birmingham University Christmas Lectures. The trip is being run by the Science department and will take place **on Monday 12 December 2022** and will commence at around 10.30am with students returning at around 3.30pm depending on traffic. Your child will then need to make their way home from school. As this trip will take place over the normal school-day lunch time, your child will need to have a packed lunch ready for the afternoon. If your child is eligible for free school meals, a packed lunch will be provided.

Students will be required to wear school uniform to attend school in the morning as usual. The University have welcomed festive spirit at the lectures so if students have a Christmas jumper or a hat they would like to bring with them to put on at 10.30am ready to depart that would be encouraged, but please do not go to any extra expense if you do not have these things, we have spare Santa hats.

There will be no charge for this trip as the entrance into the lectures is free and the cost of transport will be met by the school. The University offer these lectures as a way of making science fun and it is a great opportunity for our students to experience science outside of our classrooms and the University environment.

Due to the quick turnaround needed for the reply slips if I could ask that they be returned as soon as possible. If you have any further questions about this, please contact Mrs E Checkley at echeckley@dormston.dudley.sch.uk

Yours sincerely

E Checkley
