

Year 11

I am pleased to tell you that the BMW / Mini Apprenticeship application process is now open for 2023. This to select our apprentices for our intake starting in August 2023.

Please can you forward this mail to all your students that will be looking at careers options this year to make them aware of this opportunity.

I have included below the key information you need and also some links where they can find any additional help.

Please remember that apprenticeships offer the opportunity to learn knowledge and skills and be paid for it. The opportunities we have cover anyone completing their GCSE onwards and we plan our recruitment process on predicted grades .

Key information:

Process

In order to apply, simply create a GetMyFirstJob account and then complete the short eligibility questions. Make sure your GetMyFirstJob profile includes details of both your achieved and any predicted qualifications. If you meet the eligibility requirements, the GetMyFirstJob team will invite you through to the next stage of the process.

Once you have uploaded the documents and we have confirmed you meet the suitable criteria, you will be invited to attend a video interview.
