YEAR 11 PARENTS/CARERS

Dear Year 11 Parent/Carer

Re - Issues with Mock Examination today

As you may have heard the mock examination that happened at 11.15am today (Monday 27th February 2023) was severely disrupted by the issues we had with our fire alarm. The subjects affected today were all from Option A (History, Geography, PE and Computer Science) and we would like to pass on our sincere apologies for the distress and disruption this caused.

Following discussion with the teachers of these subjects, we would like to ensure parents/carers and students that this disruption will be factored into the marking of the exam paper and that the overall grade achieved will not be affected by today's issues.

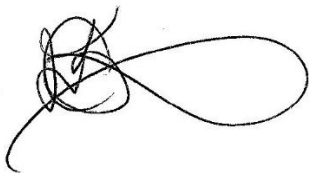

If any student feels that they would rather re-take this particular paper then they can request this via their subject teacher and another mock examination will be provided for them to complete this paper.

Wednesday 1st March 2023

As you will be aware, due to strike action by the NEU, the school is closed to most students on this day. Year 11 students will still be expected to attend for their mock examinations only. Once completed, students can leave the school site and return home.
