Dear Parent/Carer

**Re: Poem Voice Recording Permission**

The English department have been approached by a local poet and the BBC to help find a pupil whose voice could be used to read two poems for a BBC Radio 4 programme scheduled to be aired in June.

Your daughter has expressed an interest in the project and we would like to record them reading a poem which will be sent to the poet and her publisher. They will then make a final decision as to whether they wish to use the recording in the programme. This is a fantastic opportunity for your daughter and we are delighted to see them participate in this.

Please could you sign and return the consent form attached to give permission for your daughter's voice recording to be sent to both the poet and publisher.

We look forward to updating you on the project!

Yours sincerely
