March 2023

**ALL YEAR 11 PARENTS/CARERS**

Dear Parents/Carers

**Re: Year 11 Update Letter**

As Year 11 come to the end of their mock exams, I wanted to let you know how proud we all are of their conduct this year. Their behaviour was excellent and pupils were clearly treating these exams with a sense of maturity and respect. As results are returned, please encourage your child to talk about how they did and what steps they need to take in each of their subjects to further improve; such conversations are key as they provide opportunity for pupils to articulate what further support they may need, either at home or at school. This information can then be used to tweak revision timetables to best effect and help keep pupils feeling motivated and focused.

With the GCSE exam season on the horizon, I would also like to invite you to attend an information evening on **Thursday 30<sup>th</sup> March 2023 at 6.00pm**. The evening will include:

- 1) How to support your child during the final few weeks before the start of their exams;
- 2) Effective revision techniques (that were previously shared during a Year 11 assemblies);
- 3) Exam Rules;
- 4) Contingency Days.

The evening should be no longer than 40 minutes and there will be an opportunity to buy revision packs should your child need fresh supplies.

Please also find attached an UPDATED copy of the whole school summer GCSE exam timetable. Your child will be provided with their own personalised copy shortly.

In the interests of continually improving our support and provision for Year 11, I would be very grateful if you could follow this link to a parental survey, the results of which we will use to inform future decisions around Year 11.

Thank you for your continued support.

Yours sincerely

*Mrs Mescam*
