Dear Parent/Carer

**Re: School Day Consultation Outcome**

Thank you for your feedback with regards the school day. **The school day will run between 8.40am - 3.10pm from September 2023.** Below are responses to some key points raised during the consultation.

Dormston's school day will now finish broadly in line with other Dudley schools. Our local primary schools have welcomed our changes.

From September 2023 there will be a breakfast club that will run from 8.15am in school. The food pods and River Café are also open at break and lunchtime for students who wish to purchase snacks/meals. We will continue to offer free fruit at these times for students who want it.

Toilets will be open between lessons as well as during break and lunch time. This supports student and parent/carers voice and should not detract from learning time.

Afternoon registration is in place to support behaviour for learning, pastoral care, reading and academic intervention.

Thank you for your feedback and ongoing support. The new school day will be monitored and reviewed over the next academic year. Any adaptations needed will take place within the 8.40am - 3.10pm parameter. Parents/Carers and other stakeholders will be fully informed.

Your sincerely

**Mrs Sutton**
