ALL PARENTS/CARERS

Dear Parents/Carers

Re - United Against Bullying Programme

We are sharing some important news regarding our commitment to creating a safe and inclusive environment at Dormston School.

Dormston School is now a proud participant in the United Against Bullying Programme. This initiative is dedicated to supporting schools in their efforts to reduce bullying and enhance the overall well-being of every child in our community.

As part of this programme, Dormston students have recently taken a significant step by signing an anti-bullying pledge. This pledge signifies their dedication to fostering a culture of respect, empathy, and kindness within our school. It emphasises that everyone within our school community shares the responsibility of preventing bullying and ensuring the well-being of all students.

Throughout the school year, we will actively promote anti-bullying initiatives and engage with our students to create a positive and nurturing environment. Our goal is to empower our students to stand up against bullying, support one another and understand the importance of treating each other with kindness and respect.

We believe that by participating in the United Against Bullying programme, we are taking a significant step towards creating a school community where every student feels safe, valued, and supported.

We encourage you to join us in this important mission. Talk to your child about the importance of kindness, empathy, and standing up against bullying. Together, we can make a meaningful difference in the lives of our students and contribute to a brighter future for our school.

Thank you for your continued support. If you have any concerns about unkind actions or possible discrimination please do not hesitate to get in touch with your child's Head of House so action can be taken in line with both our anti bullying and behaviour policies which can be found on our website.

Yours sincerely

P Amos
