Dear Parent/Carer,

Re: Wolverhampton University Campus Visit, Tuesday 17th October 2023

The school are pleased to have gained funding again this year for the 'Aspire to HE' project sponsored by the National Collaborative Outreach Programme and supported by the University of Wolverhampton. The aim of the project is to raise aspiration through various exciting opportunities. As part of this programme we have the opportunity for a small group of students to take part in a visit to the University of Wolverhampton on Tuesday 17th October 2023.

The aim of the day is to give students an insight into Higher Education including the differences between the school environment and university, discover a range of courses on offer and how these differ to school courses and by taking part in interactive challenges they will be able to identify key skills they will need for the future, whether they attend university or not.

There is no cost to you for this visit and the University will provide a packed lunch. Please provide details of any dietary requirements on the Microsoft Forms Consent link.

We aim to leave school at 9.00am and return to school by approx 3.15pm. Your child will be accompanied by school staff at all times. Students must wear full school uniform and will be allowed to take mobile phones but these can only be used to contact parents/carers regarding their travel arrangements from the university at the end of the day.

The university would like to take photographs of the day which would be used on their website and social media. Please indicate on the reply slip if you consent to this.

Please complete the Microsoft Forms link below by **Friday 29th September** to secure your child's place. In the meantime, please do not hesitate to contact the school if you have any questions relating to this visit.
