November 2023

Parents/Carers of Selected Year 11 GCSE Geography Students

Dear Parent/Carer

Re: GCSE AQA Geography Revision Masterclass

Your child has been selected to join a group of 15 students for Geography Masterclass Revision Sessions.

I wrote to you recently thanking you for your ongoing support and giving you the opportunity to buy a revision guide if your child hasn't got one. We feel that by doing some tailored intervention with your child it will have a really positive effect on their outcomes in the forthcoming mocks and end of year GCSE exams.

These sessions will run every Friday starting on **Friday 10 November 2023** from 7.45am - 8.30am and the aim is to tackle the extended written material to unlock their potential to achieve grades 6 and above. We believe that your child has shown a real commitment to the course and we know that they are working hard behind the scenes so this is an opportunity to apply that background knowledge.

In the meantime, please can you support us in ensuring that your child continues to work independently. There is always plenty of work that they can be doing. BBC Bitesize is a great tool for basic knowledge <https://www.bbc.co.uk/bitesize/examspecs/zy3ptyc> and so is Internet Geography <https://www.internetgeography.net/aqa-gcse-geography/>. We have also set up a revision folder with all students with multiple ways of revising so that each child reaches their full potential.

Once again, thank you so much for your continued support. Remember, they are one of just 15 students selected for this and this is solely based on their commitment and hard work so far.

Yours sincerely

Mr Perry
Curriculum Leader for Geography
