YEAR 10 & 11 PARENTS/CARERS

Dear Parent/Carer

Re: Study Guides and Revision Workbooks for GCSE French and German

The MFL department are offering you the opportunity to purchase revision guides and/or revision workbooks to support students' revision and exam preparation in KS4. We are able to purchase French and German revision guides and exam workbooks through school at a reduced cost. Each revision guide offers guided support for students with tips on how to improve their knowledge and understanding of both grammar and vocabulary and the workbooks provide practice of exam techniques. They are useful tools to help with students' revision as completing practice questions is vital for progress and many students also find them helpful to support them when completing independent work at home.

The revision guides and workbooks are available for £6.99 each. A reduction has been applied for Pupil Premium students. The revision guide covers all the content of the specification, and takes a step-by-step approach to exam preparation. It also provides students with hints on how to organise their revision and develop their exam techniques. The revision workbook provides more in-depth practice questions and example answers in all skill areas to be examined in end of unit assessments, internal exams and externally marked GCSEs. At present, this is the only revision guide available for the Edexcel GCSE German course, although others are available for French.

Some of you may have already purchased a study guide via the school last year. This is still an excellent resource and there is no need to update or replace it with further purchases this year. However, please be aware that older editions (pre 2026 exams) do not match with current specification content or exam question style. Please see below details of revision books and guides that are available to purchase.

Edexcel GCSE German Revision Guide	£6.99
Edexcel GCSE German Revision Workbook	£6.99
Edexcel GCSE French Revision Guide	£6.99
Edexcel GCSE French Revision Workbook	£6.99

Payments can be made online using the ParentPay site. If you require activation information for your ParentPay account please contact us. If you do not have access to a computer or wish to pay cash please contact the school to request a barcoded letter which can be taken, along with your payment, to a store displaying the PayPoint logo.

I would like to place the school order with the publishers by Monday 3 November 2025 so if you wish to order any revision guides the deadline for ordering via ParentPay is **Friday 24 October 2025**. We will not be able to accept any orders made after this date, nor will we necessarily be able to purchase the books at this price again.

Yours sincerely

Mrs Parkin
