Dear Parent/Carer

Re: Dormston School New York Trip - October Update

We hope you and your families are well. We would like to thank you for all the payments made so far for the New York trip 2026.

Currently, we are in the process of finalising our itinerary with NST tours. We have asked NST to consider some additional suggested activities which were not in the original itinerary, including a visit to Brooklyn Bridge, Pier 35 and Pier 57. NST will do their best to ensure our days in New York are busy, and we will send out another update as soon as NST contact us with the final itinerary.

Time has flown since the trip was launched in March 2025 and no doubt the next year will fly by too. If you have any queries at all about the visit, please do not hesitate to contact us.

Your sincerely
