SELECTED YEAR 10 PARENTS/CARERS

Keele University Visit – Wednesday 22nd April 2026

As part of the Careers programme of events here at Dormston, we are excited to announce a visit to Keele University on 22nd April. This will enable learners to find out more about Higher Education and the University environment.

We hope this will be a really useful day to help learners find out what their Post 18 options could be, along with raising aspirations to top destinations.

Your child has been chosen for this opportunity due to their exceptional work in Citizenship, and Keele University has a range of related degree courses that they may wish to look into further. Even if they are not considering Politics or Criminology after leaving Dormston it is a great opportunity to visit a University environment.

We will depart school at 8.15am and should return by 3.30pm, traffic permitting – pupils may bring their phones in order to contact home to confirm pick up time. Students will need to bring a packed lunch and wear full school uniform. Students will need to dress warmly as they may spend time outside and will require appropriate footwear. If your child receives Free School Meals, please indicate on the consent form as to whether you wish to receive a packed lunch from school or not.

There is no cost for this visit.

If you are happy for your child to take part in this visit can you please fill out the consent form below by Monday 23rd March.
