ALL PARENTS/CARERS

Dear Parent/Carer,

Re: Consultation on our Relationships and Sex Education (RSE) Policy

As part of our commitment to providing a high-quality curriculum that meets the needs of our pupils and reflects current statutory guidance, we are reviewing our school's Relationships and Sex Education (RSE) Policy.

We value the important role that parents and carers play in supporting children's learning and development. As part of this review, we are inviting you to take part in a consultation to share your views on our proposed RSE policy.

To support this consultation, we have enclosed the following documents for you to review:

- a copy of the draft Relationships and Sex Education (RSE) Policy;
- three sample teaching resources that illustrate the types of materials that may be used as part of the RSE curriculum.

We encourage you to read these documents carefully and provide any comments, questions, or feedback you may have. Your views are important to us and will help inform the final version of our policy before it is adopted by the school.

If you would like to share your feedback, please follow the link below and complete the form. Please submit your comments by **Wednesday 15th July 2026 at 9:00am**.
