July 2026

YEAR 7 – 10 PARENTS/CARERS

Dear Parents and Carers,

Sports Day - Further Update

Due to the forecast of very high temperatures on Friday 10th July 2026, we have made the decision to move our Sports Day to Monday 13th July 2026.

The health, safety and wellbeing of our students is always our priority. After carefully considering the weather forecast, we believe that holding a day of outdoor sporting activities in the expected heat would not be appropriate.

Students can still come to school on Friday wearing their school PE kit. This will help them stay as cool and comfortable as possible throughout the day. Although Sports Day will no longer take place, lessons will continue as normal.

Sports Day will now take place at school on Monday, and students should attend in School PE kit. There will be a mixture of sporting activities and normal lessons.

Students who are due to attend Ingestre Hall on Monday will do so as planned, with all arrangements remaining unchanged and in line with the information that has already been communicated.

Please ensure that your child:

- brings a refillable water bottle;
- applies sun cream before coming to school if appropriate;
- brings a hat if they have one;
- continues to wear their School PE kit on both Friday and Monday.

We appreciate that this change may cause some inconvenience, but we are sure you will understand that it has been made in the best interests of our students and staff.

Thank you for your continued support and we look forward to an enjoyable Sports Day on Monday.

Yours sincerely

**Mrs Sutton
