November 2026

SELECTED YEAR 11 PARENTS/CARERS

Dear Parents/Carers,

Re: Science Intervention Sessions

I am writing to inform you that your child has been allocated a place in our **Science Intervention** sessions as of Tuesday 3 November 2026.

These targeted sessions will be led by **Mrs Emma Amos** our Head of Science in B3 and are specifically designed to meet the needs of pupils aiming for grade 4 or 5.

These **compulsory sessions** will run each **Tuesday, Wednesday and Thursday** morning during form period where their morning register will be taken. Attendance and punctuality will be closely monitored, and parents/carers will be contacted if there is an issue in this regard.

Results from previous intervention sessions showed that pupils who were fully engaged in these sessions made significantly more progress from their starting points compared those who did not.

I would like to thank you for your continued support in your child's final academic year with us.

Yours sincerely

Mrs Mescam
